No refund or credit will be provided for temporary unavailability of any Third Party Services (for example, third party maintenance windows), however if access to a Third Party Service is permanently not available (other than as a result of the act or omission of Customer) then Customer may terminate the affected order and OwnBackup will provide a refund to Customer of any prepaid and unused fees for that order. With respect to all Third Party Services, Customer understands that the Customer Data will be transmitted outside of the Third Party Service and into the Service, and such third party service provider is not responsible for the privacy, security or integrity of such data once it has left its service.

10. **OTHER TERMS.**

- a. **Governing Law and Forum.** This agreement is governed by the laws of the State of Israel (without regard to conflicts of law principles) for any dispute between the parties or relating in any way to the subject matter of this agreement. Any suit or legal proceeding must be exclusively brought in the courts for Israel, and Customer submits to this personal jurisdiction and venue. - h. **No Additional Terms.** OwnBackup rejects additional or conflicting terms of any Customer form-purchasing document.
- i. **Order of Precedence.** If there is an inconsistency between this agreement and an order, the order prevails.
- j. **Survival of Terms.** Any terms that by their nature survive termination of this agreement for a party to assert its rights and receive the protections of this agreement, will survive (including without limitation, the confidentiality and ownership terms within this agreement). The UN Convention on Contracts for the International Sale of Goods does not apply.
- k. **Feedback.** By submitting ideas, suggestions or feedback to OwnBackup regarding the Service, Customer agrees that such items submitted do not contain confidential or proprietary information; and Customer hereby grants OwnBackup an irrevocable, unlimited, royalty-free and fully-paid perpetual license to use such items for any business purpose.
